

# Gregory Abbott, Shake You Down

Ooooh Ooooh  
Yeaaaaaah

Girl, I've been watching you  
From so far across the floor now baby  
That's nothing new I've watched you  
So many times before now baby  
I see that look in your eyes  
And what its telling me  
And you know, ooh girl that I'm not shy  
I'm glad you picked up on my telepathy, now baby

Chorus  
You read my mind (You know you did)  
Girl I wanna shake you down (well oh well)  
I can give you all the loving you need  
(im gonna love you)  
Come on let me take you down (oh, baby)  
We'll go all the way to heaven

Ooooh I've been missing you  
And the way you make me feel inside  
What can I do? I can tell you've got your pride now baby  
Come to me (well well) let me ease your mind (oh babe)  
I've got the remedy, yes I do  
Now give me just a little time

Chorus

Spoken  
girl, ive been missing you  
and you know its funny everytime i get to feelin this way  
i wish i had you near me, i wanna reach out and touch you..

Rap  
I can't stop thinking of the things we do  
The way you call me baby when I'm holding you  
I shake and I shiver when I know your near  
Then you whisper in my ear (oh baby)
