

Greta Van Fleet, Meeting The Master

What a day to meet the master
I've been waiting for so long
Final day to meet the master
It's my time to go home

And I made it home
I've made it home
And I've been praying
And I've been watching you

What a day to travel faster
Take my trip around the sun
I have known no other master
He has been my only one
He's my only one

And they take it
And they made it
And they...
