

# Gretchen, Ordinary Girl

(verse 1)

I'm just an ordinary girl  
trapped in a complicated world  
just like a crushed up soda can  
recycled, restored, to live again  
for somebody else to use me up

(prechorus)

Fill me, Heal Me  
Lover of my Soul

(chorus)

I won't be discarded  
I won't feel departed  
I won't be discarded  
again...

(verse 2)

why does it have to be so cruel  
to hate me because I am like you  
this world can be contrary  
viscious & sort of scary  
But I'm gonna keep my eyes on you

(prechorus)

(chorus)

(alt chorus)

I won't be, I won't be  
I won't be --Ordinary (4x)

(verse 3)

Now I can't even watch the news  
see all the people being used  
face without a name but,  
I just can't help but feel their pain  
I pray their hearts will turn to you

(prechorus)

(chorus)

(alt chorus)
