

Gretchen, Passion

I wake up every morning
Think of the words you said to me
You say you always love
And never go away

At night when I am sleeping
I dream about my time with you
I know I am undeserving
Why do you stay with me?

It's in my heart
It's in my blood
The passion that I'm feeling
All because of what you do to me
And I don't want to lose it

I wake up every morning
And I can feel you next to me
I can't survive without you
The love you give to me

It's in my heart
It's in my blood
The passion that I'm feeling
All because of what you do to me
And I don't want to lose it

I feel you there
The love we share
I'm alive
It's all because of you

It's in my heart
It's in my blood
The passion that I'm feeling
All because of what you do to me
And I don't want to lose it
