

Gretchen, Star

(verse 1)

Elvis sang viva Las Vegas
Marylin on the Silver Screen
Joplin, Gable, & Betty Davis
Boogie, Hendrix, & Jimmy Dean

(pre-chorus)

I don't know about the status quo
But I really don't see this obsession
to feel the need,
to make you wanna say...

(chorus)

You wanna be, You wanna be,
You wanna be a Star
You wanna be, You wanna be
You wanna be

(verse 2)

Wannabes sell their soul for money
corner of Hollywood & Vine
shooting stars but it's kinda funny
how they slowly fade with... time
