

# Gretchen Wilson, California Girls

I ain't never had a problem with California  
There's a lot of good women from Sacramento to Carona  
But them Hollywood types after a while wear on ya  
Struttin' around in their size zeros  
Skinny little girls no meat on their bones  
Never even heard of George Jones

[Chorus:]

Ain't you glad we ain't all California girls  
Ain't you glad there's still a few of us left.  
That know how to rock your world  
Ain't afraid to eat fried chicken and dirty dance to Merle  
Ain't you glad we ain't all California girls

There ain't nothing wrong with plastic surgery  
Well Dolly Parton never looked so good to me  
Everybody ought to be exactly who they want to be  
But that Paris Hilton Gets under my skin  
With her big fake smile and and her painted on tan  
She'd never have a chance at a real man

[Chorus x2]

Ain't you glad we ain't all California girls  
Ain't you glad there's still a few of us left.  
That know how to rock your world  
Ain't afraid to eat fried chicken and dirty dance to Merle  
Ain't you glad we ain't all California girls

Ain't you glad we ain't all California girls.
