

Gretchen Wilson, California Girls

I ain't never had a problem with California
There's a lot of good women from Sacramento to Carona
But them Hollywood types after a while wearon ya
Struttin' around in their size zeros
Skinny little girls no meat on their bones
Never even heard of George Jones

[Chorus:]

Ain't you glad we ain't all California girls
Ain't you glad there's still a few of us left.
That know how to rock your world
Ain't afraid to eat fried chicken and dirty dance to Merle
Ain't you glad we ain't all California girls

There ain't nothing wrong with plastic surgery
Well Dolly Parton never looked so good to me
Everybody ought to be exactly who they want to be
But that Paris Hilton Gets under my skin
With her big fake smile and and her painted on tan
She'd never have a chance at a real man

[Chorus x2]

Ain't you glad we ain't all California girls
Ain't you glad there's still a few of us left.
That know how to rock your world
Ain't afraid to eat fried chicken and dirty dance to Merle
Ain't you glad we ain't all California girls

Ain't you glad we ain't all California girls.
