

Gretchen Wilson, One Of The Boys

I can do most anything a man can do
I can hold my liquor with the best of you
Even take your money in a game of pool
Yeah, I'd kick your butt if I wanted to
I don't mind when people cuss in front of me
Truth is I don't blush that much at anything
But I still got this little girl inside of me
That likes to be treated like a queen

[Chorus:]

I know I don't act much like a lady
But I still need to be somebody's baby
Yeah you might find me making too much noise
But I'm more than just one of the boys
Yeah, I'm more than just one of the boys

God knows I ain't ever been teh clingy type
Looking for a man to make it all alright
But I don't mind admitting sometimes late at night
Well I need someone to hold me tight

[Repeat Chorus:]

And I know I don't act much like a day
But I still need to be somebody's baby
Yeah you might find me making too much noise
But I'm more than just one of the boys
Yeah, I'm more than just one of the boys
