

Grey Daze, Anything, Anything

Ok what is it tonight?
Please just tell me what the hell is wrong!
Do you wanna eat?
Do you wanna sleep?
Do you wanna shout?!
Just settle down,settle down,settle down!

Well I'll give you candy,
Give you diamonds,
Give you pearls,
I'll give you anything you want
hundred dollar bills

and I'll even let you watch the shows you wanna see
cause you married me, married me, married me

I'm so sick of you tonight,
you never stay awake when I get home
Something wrong with me?
Somethings wrong with you?
I really wish I knew,wish I knew,wish I knew

Well I'll give you candy,
Give you diamonds,
Give you pearls,
I'll give you anything you want!
hundred dollar bills

and I'll even let you watch the shows you wanna see
cause you married me, married me, married me!

When I was young I played a game
that love and happiness were the same.
Now I'm older and I don't play
and I found out the hardest way

I got wasted
She got mad
She called me names then she call her dad
He got crazy and I did too
Wondering what I did to you

Well I'll give you candy,
Give you diamonds,
Give you pearls,
I'll give you anything you want
hundred dollar bill

and I'll even let you watch the shows you wanna see
I'll do anything, anything, anything,
anything, anything, anything, anything, anything...
