

# Grey Daze, My Reason

I live a life that's sheltered  
I'm constantly alone  
I'm pointing out my weakness  
There's an emptiness at home

I need to find a reason  
To live this way  
I'm running out of patience  
And my life is over

I'm standing here  
But I'm on my way  
Searching to find an answer  
I'm standing here  
But it's all the same  
And I am running out of patience

Well, I've obtained my reason  
For you  
And I have gained a reason  
For you

But you left me  
You left me here  
And I'm all alone

I've been stripped of my innocence  
I take pity in myself  
A certain chain of events  
That have left me in this hell

I need to find a reason  
To live this way  
I'm running out of patience  
And my life is over

I'm standing here  
But I'm on my way  
Searching to find an answer  
I'm standing here  
But it's all the same  
And I am running out of patience

Well, I've obtained my reason  
For you  
And I have gained a reason  
For you

But you left me  
You left me here  
And I'm all alone  
I'm all alone (4x)

Ahhhhhhhhhhhhhhhhhh  
Ahhhhhhhhhhhhhhhhhh

Well I'm searching  
To find my reason  
To find a reason  
To find my reason  
Why I need you  
And I need you  
And I want you  
But I need to

Get away from you  
And I need you  
And I want you  
But I need to  
Get away from you  
And I need you  
And I want you  
But I need to  
Get away from you  
And I need you  
And I want you  
But I need to  
Get away from you!

And I will take my reason  
From you  
And I needed someone to love me  
But you just left me  
Here and I'm lonely  
You know I needed  
Someone to love me  
But I'm all alone...
