

Grey Daze, Shouting Out

Silent criminals analyzed
Through psychic waving tears (waving tears)
Superstitious minds collide
As silence fills the hall (fills the halls)

Silence moving proclamations
This silence proving lies,
Speechless cries, emotions dull
Shouting out across the hall

Didn't mean to let you down
I'm shouting out, so ashamed
Didn't mean to run from you
I didn't mean to
Shouting out
(I'm shouting out)

Showing weakness in your eyes
You're crawling on your knees, (on your knees)
Roaming aimless through skies lost
As silence shakes the halls

Creeping past all illusions
Searching thoughts that hide
Silence brakes in weeping hands
Shouting out and in again

Didn't mean to run from you
I'm shouting out, so ashamed
Didn't mean to rush you down,
I didn't mean to
Shouting out
Shouting out La de dum
Shouting out La de dum

La de da la de da da hum...
