

GrimSkunk, Bugs In Billy Bob's Bed

Bugs in Billy Bob's bed
Billy Bobs Bed
Oh yeah

You know you're wasting your time
You drove me out of my mind
You left me and then you said
Another guy's in my head, but
Last night you slept on the floor
This morning knock at my door
That's when I laughed when you said
There's bugs in Billy Bob's bed

Shake it down la guitare
Take it down to the bridge

**DON'T YOU KNOW THERE'S BUGS IN
BILLY BOB'S BED**
