

# GrimSkunk, Feeling Severe

What's wrong, you feeling sad, depressed?  
It ain't so bad  
Look at you, you're still the same  
You're not going insane...  
Get it together  
Concentrate don't lose control  
Blinded you're insecure  
Feeling so severe  
That you can't even get to sleep at night  
So you are all screwed up

No matter what you do  
No matter what you choose  
Lost and confused  
You'll always lose

Beat my fist against the wall  
I can't take this shit at all  
Between two choices I am stuck  
Neither of which pleases me much  
Ask me why I'm so pissed off  
Could it be I'm just fed up

Get my feet back on the ground  
Get my mind thinking straight  
Things are getting better every day  
I'm finally doing things my way  
Feeling pretty good about myself  
I'm a stuck up son of a bitch and I'm proud  
Play my music loud  
And I find the answers in every single song

Shattered your hopes are crushed  
Where is your self-esteem  
Wake up it's not a dream  
It's really what it seems!
