

Grinch, The Conqueror Worm

Choke the throats that scream no more

Deny

Break the hand that have their fingers pointing towards

Deny

Spill the brain of the minds that know too much

Deny

You use the dissent you've created as a crutch

You typify the lies you portray

You deny

Your hand feeds the mouths of gold

Deny

Your black lips part and another deal's closed

Deny

Deny

Buy another

Sell another

While we're smothered
