

# Grinspoon, I Was A Kamikaze Pilot

hey!

i was a was a kamikaze pilot  
they gave me a plane  
i couldn't fly it  
taught how to take off i don't know how to land  
they say it doesn't matter  
and i just cannot understand  
i was a kamikaze pilot  
they gave me a plane - i couldn't fly it home

left my happy homeland in a zero  
i got engine trouble so i couldn't be a hero  
(do you think I care?)  
now I'll keep my two feet on the ground  
'cos when you're in the clouds  
everybody always tries to shoot you shoot you shoot you down, like a clown  
i was a kamikaze pilot,  
they gave me a plane - i couldn't fly it home

on an island there ain't too much to do  
look after number one because I think I can see  
Lee Marvin chasin' after you  
shake me, wake me and tell me when it's over  
i've been waiting for the years can't wait any longer  
no no no no no not even for you  
i was a kamikaze pilot  
they gave me a plane - i couldn't fly it home  
i couldnt fly it home, i couldn't fly it home

i was a kamikaze pilot oohh oohh oohh  
i was i was i was i was i was i was i was i was ohh ohhh ohhh

cherry blossoms falling down
