Grinspoon, Pigpen

Forgot to mention, The new detention. **Forgone Conclusion** Current lack of inspiration. Sophisticated, Unpopulated Choose a television set Of colour screen sensation Do you think that i was wrong I've got a patient family Was the plan meant to go there? Anyday anyhow Say what you want to belong to Anytime We dont come here very often sold on side Believe that I'd never lie here I couldn't feed another saviour If the trouble ended up and did you wrong Come say and get another reading Did i do things much better Did i do things much worse Was it that patient family Waiting there patiently Say what you want to belong to Anytime We dont come here very often sold on side SOLO Say what you want to belong to Anytime We dont come in very often sold on side Say what you want to belong to Anytime We dont come here very often sold on
