## Grinspoon, Ready 1

Walking in a rain storm
Supper in the ocean
Wishing I was water
Wishing they could sort it out

See the garden lover Fighting on the freeway Quickly Undercover So anyone who never lost

Are you ready for a change to come There's already one already one ALREADY ONE!

Thinking like the rink think A stagger for the fist fight Start off with the jump team Paranoia made it right! Hey!

Are you ready for a change to come There's already one already one ALREADY ONE!

I'll see the sibblings Except for the last scene Come Back Kid come back!

Are you ready for a change to come There's already one, already one There's already one, ALREADY ONE!
