Grinspoon, Rising Tide

Rising tide, We connect To the rising high, no comment All those lonely nights, all undressed To the rising tide, we connect

We connect, we connect We connect, we connect

We're not here, in this room We still can be there soon

All those empty nights, left alone to the rising tide no one knows

We connect, we connect We connect, we connect

Rising tide, Rising tide Rising tide, Rising tide

We connect, we connect We connect, we connect
