

Grits, Turn It Up

When i come through the door
They already on the floor
That's my song, turn it up
Hey mr. DJ, put that song on replay
Its hot, burn it up

I know you came to move, this beat should make you grove
(It ain't loud enough DJ turn it up)
I know you came to move, this beat should make you grove
(I'm headed to the floor crank it up some more)
