

# Grizzly Bear, Ready, Able

I'm gonna take a stab at this  
Surely we'll be alright  
Make a decision with a kiss  
Maybe I have frostbite  
And when I shuffled on back home  
I made sure all my tracks in the snow were gone  
Tissue and bone it was a tryst  
This isn't a gunfight  
Checking it off of my list  
Unable to write  
Five years, countless months and a loan

Hope I'm ready, able to make my own, good home

They go we go, I want you to know, what I did I did,  
They go we go, I want you to know, what I did I did.

They go we go, I want you to know, what I did I did,  
They go we go, I want you to know, what I did I did.

They go we go, I want you to know, what I did I did,  
They go we go, I want you to know, what I did I did
