

# Gromee, Fearless (ft. May-Britt Scheffer)

Under the darkness  
You cannot breath  
In the mouth of madness  
You are not free

Looking for answers  
And all the wrong faces  
You keep changin' your mind  
If only you see me  
If only you trust me  
I turn your world around

I'm fearless  
In my love  
In my heart  
/2x

Fearless /2x

Feeling your fire  
I'm able to reach  
Holden back desire  
Your weakness decease

Looking for answers  
And all the wrong faces  
You keep changin' your mind  
If only you see me  
If only you trust me  
I turn your world around

I'm fearless  
In my love  
In my heart  
/2x

Fearless /2x

I'm fearless  
In my love  
In my heart  
/2x
