

# Gromee, Lingo (feat. Mahan Moin)

champagne and heartbreaks  
miscommunications  
we ricochet slow  
like echo

I say no, no, no, no  
don't need to bleed and bag for your love  
let go. let go  
you speak but lingo, lingo  
you haven't got hang to hang for my love  
let go. let go

we brake bones  
resilience  
we're separate island

we ricochet slow  
like echo  
we ricochet slow

I say no, no, no, no  
don't need to bleed and bag for your love  
let go. let go  
you speak but lingo, lingo  
you haven't got hang to hang for my love  
let go. let go
