

Gromee, Live Forever (feat. Wrethov)

Standing on the edge of time
Waiting for something to happen now
Why if we could rewind?
We said the sun is not over again

So take me up now
And let us go
Is tomorrow let us show
We've got the fire
We've got the fire

Let us save the night
We are all delight
And we can live forever
Let us save the night
Like castle sky
Was me forever

Was me forever

All I wanna stay with you
Cos we've got right now
So take me up now
And let us go
Is tomorrow let us show
We've got the fire
We've got the fire
