

# Gromee, Love You Better

i am trying you all alone  
cuz when call you hit  
ignore

I know I;ve beet too high and low  
yeah, I can't lie  
I know I've put you through a lot

when times we're though  
you kept me strong

and then I went  
and did you wrong  
yeah I was blind

maybe I should  
wait it out  
cuz I know I let you down  
but I need to say this  
say this now

I wanna love you better  
my ride or die

I wanna Love You Better  
I wanna Love You Better  
I wanna Love You Better  
no more goodbye  
cuz after all things we've been through  
I was find the way back to you  
so I am gonna Love You Better  
Love You , Love You  
Love You Better

I understand you need a space  
but we're too good  
to throw away  
deep down you know we  
could save us from the past

just know that I'll be here for you  
just know that I'll be good for you  
I want you back and that's the truth  
so come back fast

maybe I should  
wait it out  
cuz I know I let you down  
but I need to say this  
say this now

I wanna love you better  
my ride or die

I wanna Love You Better  
I wanna Love You Better  
I wanna Love You Better  
no more goodbye  
cuz after all things we've been through  
I was find the way back to you  
so I am gonna Love You Better  
Love You , Love You  
Love You Better
