

# Gromee, Lover - feat. Kaeyra

I heard you're looking for a lover ooo lalala  
Someone that's different than the others oh nanana  
So let me help you make your mind up oh mamama  
Once you get a taste  
You won't be the same  
I heard you're looking for a lover ooo lalala  
Someone that sees the world in color oh nanana  
So let me help you make your mind up oh mamama  
Once you get a taste  
You won't be the same  
I heard you're looking for a lover

Oh no baby  
Got the whole world waiting for you  
Like there's no one else in this room  
Nobody in between  
You wanna see the way that I move  
Of all the places  
We both ended up here tonight  
Dancing on the edge of divine  
So what's it gonna be  
Cuz I can be that once in a life
