

Gromee, Spirit (ft. Mahan Moin)

You're the lighthouse in the Ocean
It's ... for me
On every time you .. life
See me
OI believe in everything like a mountain
Our love I never dies
If the wave is fight enough on an ocean
Whenever turn to light

We are the spirit of our love
the spirit of our love
We are the spirit of our love
the spirit of our love
Love, love, love, love
The spirit of our love*

I was a blind ...
Shadow in the dark
You found me
Like a shadow track in another time
You release me
If the wave is fight enough on an ocean
Whenever turn to light

We are the spirit of our love
the spirit of our love
We are the spirit of our love
the spirit of our love
Love, love, love, love
The spirit of our love*
