Groove Coverage, Holy Virgin

I'm a little veined you trick me like a babe after we where waiting for someone like you Can you show my passion And you where obsession I would satisfaction all of the time If you wanna taste me try my paradise drop and phlegm up my deire You can please me,taste me take me to the sky People we can be like fire I am your holy virgin we drums out all of the time I am your holy virgin I blow up your mind 000I am your holy virgin and if you touch me right I'l be your nasty virgin I can take you places Show you all my faces Now i don't wrap the bases we gone to thider Do you wanna hold me when i feel lonely Slowly you can show me Angel of mind If you wanna taste me try my paradise drop and phlegm up my deire You can please me,taste me take me to the sky People we can be like fire I am your holy virgin we drums out all of the time I am your holy virgin I blow up your mind 000 I am your holy virgin and if you touch me right I'l be your nasty virgin Northern kind i falls haven't just calls open up your eyes for someone like me i am on my way leaving today i'm a golden ride To the other side If you wanna taste me try my paradise drop and phlegm up my deire You can please me,taste me take me to the sky People we can be like fire (like fire) I am your holy virgin

we drums out all of the time

I am your holy virgin
I blow up your mind
OoO
I am your holy virgin
and if you touch me right
I'l be your nasty virgin
(blow up your mind)
I blow up my mind
I am your holy virgin
we drums out all of the time
I am your holy virgin
we drums out all of the time
I am your holy virgin
we drums out all of the time
I am your holy virgin
we drums out all of the time
I am your holy virgin
