

Groove Coverage, Living On A Prayer

Tommy used to work on the docks
Unions went on strike
Hes down on his luck...its tough,ohh so tough
Gina works the diner all day
Working for her man, she brings home her pay
For love - ohhh for love
She says: Weve got to hold on to what weve got
it doesnt make a difference
If we make it or not
Weve got each other and thats a lot
For love - well give it a shout

Ohhhhh Were half way there
Ohhhhh Livin' On A Prayer
Take my hand- well make it - I swear
Ohhhhh Livin' On A Prayer

Tommy got a six string in hock
Now hes holding in what he used
To make it talk - so tough, ohhh so tough
Gina dreams of running away
she cries in the night
he said: Baby its okay, someday
Weve got to hold on to what weve got
it doesnt make a difference
If we make it or not
Weve got each other and thats a lot
For love - well give it a shout

Ohhhhh Were half way there
Ohhhhh Livin' On A Prayer
Take my hand- well make it - I swear
Ohhhhh Livin' On A Prayer

Ohhhhh Were half way there
Ohhhhh Livin' On A Prayer
Take my hand- well make it - I swear
Ohhhhh Livin' On A Prayer
Livin' On A Prayer
