

GROOVEBUSTERZ & SLAYBACK, BETTER PL

I'm just waiting for the day
That I will find...find a better place
And I know that I will find
But You'll always on my mind

Say U La La
And Everybody sing with me
Just U La La
And Everybody sing
Just U La La
And Everybody sing with me
Just U La La
And Everybody sing

Say U La La
Just U La La
Say U La La
And Everybody sing

Say U La La
Just U La La
Say U La La
Just U La La

And when I see you everyday

I want it all

I want it now

Now there's nothing in my way

I want it all

I want it now

Say U La La
And Everybody sing with me
Just U La La
And Everybody sing
Just U La La
And Everybody sing with me
Just U La La
And Everybody sing

Ououaaa
Say U La La...a...a...a
Just U La La...aaaa
Say U La La...ouaa
Just U La La...aaaa

Say U La La
And Everybody sing with me
Just U La La
And Everybody sing
Just U La La
And Everybody sing with me
Just U La La
And Everybody sing

JUST FIND A WAY

TO THE SKY
KEEP YOUR HEAD UP
KEEP YOUR SMILE
SKY IS THE LIMIT
YOU KNOW IS TRUE
AND SING THAT SONG
JUST FOR YOU

GROOVBUSTERZ
SLAYBACK
BETTER PLACE
CAN U HEAR IT
SO SING THAT LOUD

Say U La La
Just U La La
Say U La La
Just U La La
And Everybody sing

Say U La La
Just U La La
Say U La La
Just U La La
And Everybody sing
