

# GROOVEBUSTERZ & SLAYBACK, BETTER PLACE

I'm just waiting for the day  
That I will find...find a better place  
And I know that I will find  
But You'll always on my mind

Say U La La  
And Everybody sing with me  
Just U La La  
And Everybody sing  
Just U La La  
And Everybody sing with me  
Just U La La  
And Everybody sing

Say U La La  
Just U La La  
Say U La La  
And Everybody sing

Say U La La  
Just U La La  
Say U La La  
Just U La La

And when I see you everyday

I want it all

I want it now

Now there's nothing in my way

I want it all

I want it now

Say U La La  
And Everybody sing with me  
Just U La La  
And Everybody sing  
Just U La La  
And Everybody sing with me  
Just U La La  
And Everybody sing

Ououaaa  
Say U La La...a...a...a  
Just U La La...aaaa  
Say U La La...ouaa  
Just U La La...aaaa

Say U La La  
And Everybody sing with me  
Just U La La  
And Everybody sing  
Just U La La  
And Everybody sing with me  
Just U La La  
And Everybody sing

JUST FIND A WAY

TO THE SKY  
KEEP YOUR HEAD UP  
KEEP YOUR SMILE

YOU KNOW IS TRUE  
AND SING THAT SONG  
JUST FOR YOU
