

Groovie Ghoulies, Hello Again

Hello again hello
Just called to say hello
I couldn't sleep at all tonight
I know it's late
But I couldn't wait
Hello my friend hello
Just called to let you know
I think about you every night
When I feel alone
And you're there at home
Hello
Lately it's been crazy
Maybe I'm to blame
I put my heart above my head
We been through it all
And you love me just the same
And when you're not there
I still need to hear
Hello
Hello my friend hello
It's good to need you so
Oh it's good to love you
Like I do
When I feel this way
And I hear you say
Hello hello hello hello
