

Groovie Ghoulies, Ivy Says

Ivy says I ain't playing this game no more.
She says I'm staying here on the floor.
I've got better things -- better things to do -- than spend my time hanging out with you.
Ivy says I ain't playing this game no more.
Ivy says I ain't leaving the house today.
She says I'm gonna stay in & play.
I'm not getting dressed, I might make a mess.
I don't really care, I must confess.
Ivy says I ain't leaving the house today.
Ivy says I ain't gonna pick up the phone.
Or my room or the house, I wanna be left alone.
Maybe tomorrow I'll go outside.
Today I prefer to stay & hide.
Ivy says I ain't gonna pick up the phone.
