

# Groovie Ghoulies, Lonely Heart Blues

I don't feel like seein' the sun  
I don't feel like havin' no fun  
I just feel like stayin' in bed  
I just feel like playin' dead  
I'm a lonely heart, I'm a lonely heart  
Without you  
I'm a lonely heart, I'm a lonely heart  
Without you  
I don't feel like bein' in love  
I don't feel like nothin' at all  
I don't feel like leavin' my room  
I don't feel like nothin' but gloom  
I'm a lonely heart, I'm a lonely heart  
Without you  
I'm a lonely heart, I'm a lonely heart  
Without you  
I don't feel like singin' this song  
I don't feel like gettin' along  
I don't feel like feedin' the cat  
I don't feel like doin' the bat  
I'm a lonely heart, I'm a lonely heart  
Without you  
I'm a lonely heart, I'm a lonely heart  
Without you  
I'm a lonely heart, I'm a lonely heart  
Without you  
I'm a lonely heart, I'm a lonely heart  
Without you  
Without you  
Without you  
Without you
