## Groovie Ghoulies, Singing The Blues

Well I never felt more like singing the blues 'Cause I never thought that I'd ever lose Your loving Why'd you do me this way Well I never felt more like cryin' all night 'Cause everything's wrong And nothing ain't right Without you Got me singing the blues The moon and the stars No longer shine The dream is gone I thought it was mine There's nothin' left for me to do But cry over you Well I never felt more like runnin' away Why should I go when I couldn't stay Without you Got me singing the blues The moon and the stars No longer shine The dream is gone I thought it was mine There's nothin' left for me to do But cry over Well I never felt more like runnin' away Why should I go when I couldn't stay Without you Got me singing the blues Got me singing the blues

Got me singing the blues
