

Grotesque, Incantation

Beyond inferno lies my sanctuary

Bone, blood, flesh and sinews
Spell and spirit bind anew

Their deaths so cruel and macabre
Keep its givers safe from harm

Incantations, chantings & repetitions
I call the abysmal depths
For thee to ascend

Let the laws which govern all things
Not so lightly be dismissed
Let the ones who rule the chaos
With a fresher death be kissed

Incantation
Incantation

A terrible invocation addressed to secret gods
Beyond the mortal spheres
In an aura of evil, incantation

Let thy almighty powers
Knowing no boundaries
In a morbid shade of presence
Travel through my soul

Arch-angel, prince of hell
Awake thy sleeping servants of the dead

Master, invoke thee, lord of chaos
Here is a soul for thee to claim
Repay my loyalty
I invoke thee, prince of darkness
Hear my - incantation

As my life now it ends
Fulfill this one last wish of mine
Release thy divine wrath
To fulfill our darkest dreams

Now as my blood is spilled for the last time
I toast in it with thee
My last words, as I die, is my incantation

Hear my infernal chanting
As I open the gates to your dimension
Hear me, I beg thee,
Spewing forth from the pits of death

Incantation
Incantation

Beyond inferno
My sanctuary

As my soul is engulfed
By the flaming inferno
My hands grasp at the straws of life
As it eventually fades away

Within the burning flames

My soul now dwells forever more
Tormented, but in peace
I am by thy side, prince of darkness

Incantation
Incantation

Covered in the burning flames
The world as you knew it is no more
