

Grotestique, Family Crest

Walking down the street, feeling fine

When suddenly, out of the blue, it's hammer time

A swift kick to the groin, oh what a blow

Down on the ground, writhing in woe

Eyes watering, gasping for air

It feels like I've been hit by a billionaire

My buddies laugh, can't help but jeer

But when it happens to them, I'll be shedding no tear

Ouch, ouch, hit in the nuts

Feels like I got kicked by King Kong's foot
