

# Groundation, Jah Jah know

Well now the youth man say,  
&quot;I have come a long way, between this Earth and Zion&quot;  
And the warrior say,

Now dem man go and they shall live up  
But we shall stay to face this dragon war  
And they shall go and dem man live up  
But we shall stay to face this dragon war  
For the Book does say,  
Like the sand of the sea shores we shall lie

Run upon a Mount Sinai, oh Most High come make it so
