## Groundswell, Snatch

All I see is legs, beyond control, or demand And all I see is legs, and in My eyes and in my hands All I see is legs, moving up to the cheeks All I see is legs, they make me ill and make me weak CHORUS Don't cry baby, now what's the catch What's that word, they call it snatch Don't worry baby, it's not your fault Just because it's a body that's so not you And all I see is legs, then moving up to something sweet And all I see is legs, and don't you think it would be neat? **CHORUS 3x** What's that word (REPEAT 3x) They call him (REPEAT 3x) Snatch (REPEAT 3x)
