

Group 1 Crew, Love Is A Beautiful Thing

I never knew love could be like this
Powerful to protect me through the hard times that always exist
Make the hardest heart break down
Make a person who hates love himself
So he can love those around

It takes love to forgive everyone for all the things they've done
It's not easy but the freedom will come
We gotta learn why it is that we're here
It's more than love in your life
It's making sure your life is loving your peers

Now if you could just catch my heart
Than we can part from the past
Let the days of the new love start because

Love is a beautiful thing
It brings together people
Of every generation

Love can heal the pain
Of a broken world
It's got to start with us
And all it takes is love

Love is a beautiful thing, y'all
Love is beautiful

Well I've got to make it clear
Love's the reason we are here
We're the object of affection from a God who holds us dear
And everywhere we go and everything that we do
Every time that we love, it's a reflection of you

'Cuz you are / you are
True Love / True Love
So they could really know

Stop holdin' on to the past
So we can bask in the rays
Let the days of the new love last because

Love is a beautiful thing
It brings together people
Of every generation

Love can heal the pain
Of a broken world
It's got to start with us
And all it takes is love

I didn't see it come
I didn't see it go/ yeah
Never knew a love like this before / Ah
I'm so glad you found me
I'm so glad you found me yeah

I didn't see it come
I didn't see it go / uh-huh
Never knew a love like this before / Yeah
I'm so glad you found me
I'm so glad you found me

I'm so glad I'm so glad

I'm so glad
I'm so glad you found me
I'm so glad

They say all you need is love to bring about change and
All you need is one to ignite the flame
And if it's so, Group 1 will be the first to say
That we lightin' up this torch and runnin' in Love's name
We searched around the globe and even looked to the stars
Tried to fill the void with money and nice cars
Took advice from songs in the top 10 charts
And never realized that it starts in the heart
Because love / Ooo-ooo-ooo-ooo-ooo-ooo
Is a beautiful thing y'all / Ooo-ooo-ooo-ooo

Love is a beautiful thing
It brings together people
Of every generation

Love can heal the pain
Of a broken world
It's got to start with us
And all it takes is love

Love is a beautiful thing
All it takes is love
Love is a beautiful thing
All it takes is love
Love is
Love, Love is a beautiful thing
Love

Love is a beautiful thing
All it takes is love
Love is the thing
Love is the thing
