

# Gruesome Stuff Relish, Lost in the Green Hell

Drinking on the airplane  
Looking through the windows  
Somewhere in Malaysia  
But the pilot lost control  
Panic in the night  
Airplane catastrophe  
Only a few survivors  
The jungle will be our tomb  
Crushed faces and human entrails  
Death is in the air  
Limbripped bodies cut wide opened  
Lost in the green hell
