

# Gryffin, Alive (with Calle Lehmann)

My arms are open wide  
The day you change your mind  
I'll leave a light on for you

I've been dancing through the dark  
Wondering where you are  
I'll put a call out for you

I know it might be stupid  
I hope it's not a waste of time (waste of time)  
I'm really going through it  
Oh this could be a waste of time  
Oh ohhh

Because you, know me the deepest  
All of my secrets  
How am I supposed to live my life?

When my heart is bleedin'  
And I'm barely breathing  
I'm nothing without our love alive  
Oh ohhh  
I'm nothing without our love alive  
Oh ohhh  
I'm nothing without our love alive

I know I made mistakes  
If you come back to me  
I'll make it all up to you

Until my dying day  
Whatever it may take  
Just tell me what I can do

I know it might be stupid  
I hope it's not a waste of time (waste of time)  
I'm really going through it  
Oh this could be a waste of time  
Oh ohhh

Cause you, know me the deepest  
All of my secrets  
How am I supposed to live my life?

When my heart is bleedin'  
And I'm barely breathing  
I'm nothing without our love alive  
Oh ohhh  
I'm nothing without our love alive  
Oh ohhh  
I'm nothing without our love alive  
I'm nothing without our love alive  
Oh ohhh  
I'm nothing without our love alive

I can't take the distance  
I'm throwing my wishes  
Into the cold and lonely night

Cause my heart is bleedin'  
And I'm barely breathing  
I'm nothing without our love alive  
Oh ohhh  
I'm nothing without our love alive

Cause my heart is bleedin'  
Because i'm barely breathing  
I'm nothing without our love alive  
Oh ohhh  
I'm nothing without our love alive  
Oh ohhh  
I'm nothing without our love alive  
Oh ohhh  
I'm nothing without our love alive  
Oh ohhh  
I'm nothing without our love alive
