## Guardian, Blue Light Special

Forty day tear Got roadwear No-doz braking Breaking Breaker

Caffeine shakes Can't feel my legs Three quarters dead

Motel ahead

Just give me table and a shingle shed Just give me cable and a single bed Have a ray gun

Have a ray gun Sleep tight, son

Desk man's got a face like Norman Bates

Don't let it outta the box Yeah the blue light is good Yeah the blue light is great Gotta pile it on your blue light special plate If you shovel it in They can vacuum you out Gonna take you on a junket that you never dreamed about

Unwinding Snowblinding Got a mindset Pushing Pushing New deal for New masses Grey matter Into ashes

Psych line
Tone your belly
Hair elixir
Royal jelly
Shark attack
Legal weasel
Dial a honey
Drive a diesel
Slash film Sunday
Buy the set
QV shop
Shovel debt
Funny funny
Like a fool and his money money

Don't let it outta the box Yeah the blue light is good Yeah the blue light is great Gotta pile it on your blue light special plate If you shovel it in They can vacuum you out Gonna take you on a junket that you never dreamed about

Woke up in bed with a pounding head Cheetos, visine Some vending machine Tube's playing taps, I ain't takin' the hook Next time I get that tired Gonna read me a book
