

# Guardian, Let The Whole World

I am weak  
You are strong  
You give me hope  
To carry on  
In this lonely world  
I can feel You by my side  
I was dead  
You made me live  
You lift me up  
How could You give?  
Such endless love  
I can never repay Your love  
And I made up my mind  
I'm gonna leave the things of this old world behind  
And I'll give You my dreams  
And when trouble clouds the way  
It's always better than it seems  
Let the whole world  
Be filled with His glory  
Forever and ever  
Amen  
All my life  
You cared for me  
Your gentle touch  
Has shown to me  
You're such a loving God  
What do You see in me?  
And I made up my mind  
I'm gonna leave the things of this old world behind  
And I'll give You my dreams  
And when trouble clouds the way  
It's always better than it seems  
Let the whole world  
Be filled with His glory  
Forever and ever  
Amen  
You're the only thing  
In my life that never seems to change  
Oh I have to say  
Oh my Lord, You are my everything  
You're my everything  
You're my everything  
And I made up my mind  
I'm gonna give You everything I thought was mine  
And I'll lift up Your name so high  
I'm gonna let the people see  
Just what You mean to me  
Let the whole world  
Be filled with His glory  
Forever and ever
