

Guardian, Mystery Man

Whoa-oh Woah-oh
Whoa-oh Woah-oh

I hear a voice throughout the land
He says come join us if you can
Open your eyes - can't you see?
Love must be the truth to believe

Woah-oh - Woah-oh Mystery Man
Woah-oh - Woah-oh Mystery Man

The people heed to what you say
They watch you steal their souls away
Open your eyes - can't you see?
Living in a dream world can't set us free

Woah-oh - Woah-oh Mystery Man
Woah-oh - Woah-oh Mystery Man

Mystery Man
What are your plans
Open your eyes can't you see
Love can't close its eyes to history

Woah-oh - Woah-oh Mystery Man
Woah-oh - Woah-oh Mystery Man
