

# Guardian, Send A Message

You know I just can't fight it, got no more strength to hide it; inside my heart I hear the Call. I get tired of people pleasin', the same old rhyme and reason; is it any wonder that we fall

CHORUS I:

Tear down the walls around me, the time has come to make a stand; open up my heart to You, Lord; I want to live for You; do anything You want me to; gonna lay it on the line

CHORUS II:

OOH, send a message out; take it to The people everywhere. OOH, send a message out, take it to My people everybody shout You feel the war around you, you start to run and hide because you don't know what to do. You've got no need to worry about the fire and fury; the Blood of Christ will cover you

CHORUS I

CHORUS II

Take it all around the world, take this Message to the people everywhere

CHORUS III:

OOH, send a message out; take it to the people everywhere. Won't you please send a message out, take it to My people, everybody shout

REPEAT CHORUS III
