

# Gucci Mane, Bruno Mars, Kodak Black, Wake Up

Fly, fly  
it's Gucci

I drink till I'm drunk  
I smoke till I'm high  
Castle on the hill  
I wake up in the sky  
You ain't say that I can't fly  
You ain't say that I can't fly  
I know I'm super fly  
I know I'm super fly

the ladies love luxury  
that's why they all fuck with me  
out here with the moves  
like I invented smooth  
You ain't say that I can't fly  
You ain't say that I can't fly  
I know I'm super fly  
I know I'm super fly

I stay fresh as hell  
take a pic I might as well, hell  
drop the top and take a selfie  
my car drive itself  
I got white girls blushing, homie  
college girls rushing on me  
all my diamonds custom  
so they cluchin and they touchin on me

think it's vegetables  
think its edible  
it's incredible  
I smell like bond numba 9  
section full of fine dimes  
bitches starin' atme saying: WOW!  
unforgettable  
like Nat King Cole  
Gucci Barry White  
I'm singing to you hoe  
one man show  
a human bankroll  
she lost in the sauce cause Gucci got the glow

I drink till I'm drunk  
I smoke till I'm high  
Castle on the hill  
I wake up in the sky  
You ain't say that I can't fly  
You ain't say that I can't fly  
I know I'm super fly  
I know I'm super fly

the ladies love luxury  
that's why they all fuck with me  
out here with the moves  
like I invented smooth  
You ain't say that I can't fly  
You ain't say that I can't fly  
I know I'm super fly  
I know I'm super fly

now watch me fly  
now watch me fly

You ain't say that I can't fly  
You ain't say that I can't fly  
I know I'm super fly  
I know I'm super fly

I'm so fly don't need no flight attendant  
big Cuban link don't need no pendant  
I ain't never had no pot to piss in  
now all my record trading  
on my, came from stealing bikes  
to flying in a g5  
I don't know why  
i'm smokin' on this cherry pie  
so much but this my life  
i'm on Adderall  
I be smelling hitch when I piss  
like it's basketball I drop 50 pointers on my wrist  
it's like Kodak take a pic  
I came home and dropped a hit

all these diamonds got me sick  
I;m .. spoil  
cause im;m high  
o feel like I can fly  
so fresh to death it';s crazy  
I feel like I can die  
I done finally got my wings  
it make me wanna sing

I drink till I'm drunk  
I smoke till I'm high  
Castle on the hill  
I wake up in the sky  
You ain't say that I can't fly

I know I'm super fly
