

Gucci Mane, I Get The Bag (feat. Migos)

you get the bag and fumble it
I get the bag and flip it and tumble it
straight out the lot

and the car came with a blunt In it

and she got ass
ans she gon fuck up a bag
pull up to the spot
living too fast
dropping the dope in the stash
in Irtaly
got two foreing hoes
the DM me
Drop the top
wjhen it's cold but you feel the heat
be real with me
keep it 100
just be real with me
eat it up like it's a feast
eat it up
they say the dope on fleek
