

# Guerilla Poubelle, Punk Elite

All with the same face  
All in the same place  
All with the same spirit  
All in the same shit

This is your unity ?  
There is no place for me  
You're so fucking elitist  
This is the new fascits

Ein zwei drei vier  
your minds are fucking clear.  
acht und achtig macht ihr frei,  
hypocisy is a lie !!!

What's your final solution ??  
Be the last zine in the world ??  
Waste your life, waste the scene  
To be sincere is a sin ??
