

Gufs, Last Goodbye

We stood all alone
Waiting for this day to come
And I held you close
But I couldn't feel your pain
I didn't know
This would be the last time
This would be the last kiss
This was our goodbye
If you were letting go
I should've been the one you told
I never heard you say goodbye
And I'm sorry isn't good enough
Because lately I've been giving up
And I'm sorry isn't good enough
And your last goodbye
Made me realize
I'll be alright
How could you laugh?
How could you lie to me?
You held me close
But I couldn't feel your pain
I should've known
This couldn't last forever
The last thing I remember
Was standing all alone
If you were letting go
I should've been the one you told
I never heard you say goodbye
And I'm sorry isn't good enough
Because lately I've been giving up
And I'm sorry isn't good enough
And your last goodbye
Made me realize I'll be alright
And so suddenly
I've stopped falling down
I believe in me one more time
And I'm sorry
And I'm sorry isn't good enough
Sorry
I'm sorry
And I'm sorry isn't good enough
I'm sorry isn't good enough
I'm sorry
I'm sorry
