

# Guided By Voices, Auditorium

(R. Pollard-Sprout)

Post-punk X-Man parked his fork-lift  
Like a billion stars flickering from the grinder's wheel  
Lower hybrid clad in metal  
In subgroup tools  
Excused from schools  
To fathom hell  
See you now  
Echo and his brother (Echo and his brother)  
Fish and Peter the Pig  
Will meet where it's big
